

IT'S NOT WHERE YOU'RE FROM, IT'S WHERE YOU'RE GOING.

NEWCOMER CARE

If you are a Newcomer to the United States (Central Pennsylvania), we welcome you to connect with Union Community Care for a medical exam and wellness screening within 30 days of when you first arrived, after your 10-day quarantine period.

As a Newcomer patient, you will be scheduled with a Provider and Care Team at a location close to you that will get to know and understand your health history and focus on your care. This means that a whole team is caring for you, answering your questions, and connecting you to the resources you need, when you need them.

Newcomer Care includes:

If you have newly arrived in the United States and would like to complete your required medical screening at Union Community Care, contact:
