

IT'S OKAY TO PUT YOU FIRST.

360 CARE

We believe in whole health – body, mind, and heart.

We provide 360 care all in the same area or nearby:

- Urgent sick care
- Family medical care
- Dental care
- Behavioral/mental health support
- Social support
- Pharmacy services

GIVE YOURSELF A BOOST!

Staying up to date on your COVID-19 & Flu vaccines is an important part of your overall health. Union Community Care offers safe and tested vaccines that can protect you, your family, and your community. COVID-19 & Flu vaccines are available at all Union Community Care medical locations and community events. **No appointment necessary!**
