

Plain Healthy Program

A Healthcare Program for Plain Community members at places you trust, with people you trust

Union Community Care's Plain Healthy Program brings Well Child Checks, immunizations, and other needed healthcare and information into beautifully rooted Plain Community homes. The Plain Healthy Program is for children and their families in the Plain Community (Amish, Mennonite) who are uninsured & underinsured.

How much does the program cost?

Fee	Service	Service Description
\$10.00	Household Convenience Fee	Applies one time to each bill, not each child
\$50.00	Well Child Check	Full examination by a Clinician
\$20.00	Immunizations	Administration of immunizations by a Medical Assistant/Nurse
\$5.00	Consult	Brief exam and discussion with a Clinician
\$100.00	Sick Visit	Full examination of acutely ill patient with intervention
\$25.00	Single Cerumen Impaction Removal	Removal of cerumen from one ear
\$35.00	Bilateral Cerumen Impaction Removal	Removal of cerumen from both ears
\$15.00	Urinalysis	Screening urinalysis on site
\$15.00	Rapid Strep Test	Screening for strep infection on site
\$0.00	Fluoride Varnish	Professionally applied fluoride varnish by a Clinician
-\$5.00	Multiplicity Discount	Discount per additional child, limit \$20 discount

Services may be added on a case-by-case basis by the Clinician

Medications with 340B Pricing

The Plain Healthy Program includes medications with 340B pricing, which means medications are more affordable for those who need it. Medications with 340B pricing include amoxicillin, suspension, fluoride tablets, debrox, ophthalmic drops, otic drops, Silvadene, nystatin, and Aquaphor ointment. Other medications may be added depending on need.
